You can find more help with the Kindle at: <http://help.overdrive.com/>

Set-up

What you need:

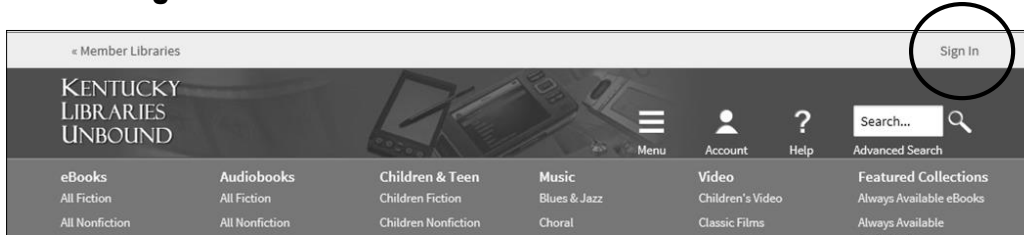

- An Amazon account (requires a credit card, even if you don't purchase items).
- A Boone County Public Library card and PIN (last 4 digits of Social Security number).
- Computer with Internet access.

Getting Started

1. Go to www.bcpl.org
2. Under **Free Downloads**, click on **Ebooks & More** to open Kentucky Libraries Unbound/OverDrive.

Login

1. Click on **Sign In**.

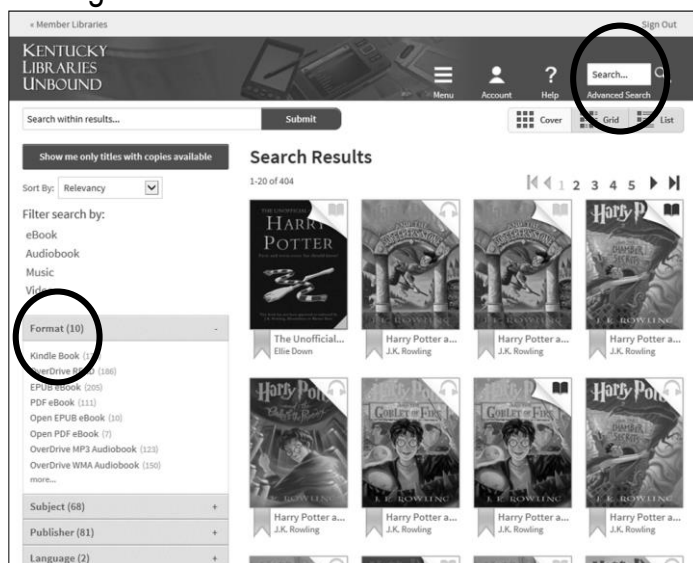

2. Select **Boone County Public Library** from drop down menu.
3. Type in **Library Card Number** (no spaces).
4. Type in **PIN** (last 4 digits of social security number).
5. Click on **Sign In**.

Getting Books

Browse/Search

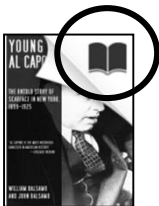

There are two ways to find a Kindle Book:

1. Type a **Title, Author, or Keyword** into the **Search** box, then narrow your results by clicking **Kindle Book** under **Format** on the left-hand side of the page.

- Click **Advanced Search** under the Search box and choose **Kindle Book** in the **Format** drop down menu.

Type and Availability of Book

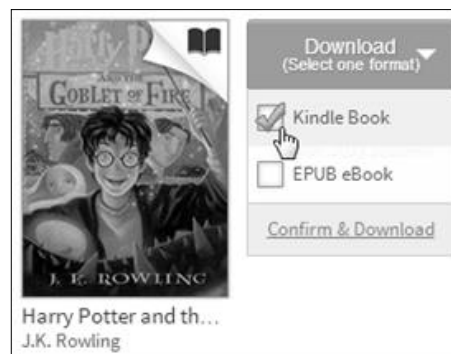

eBook

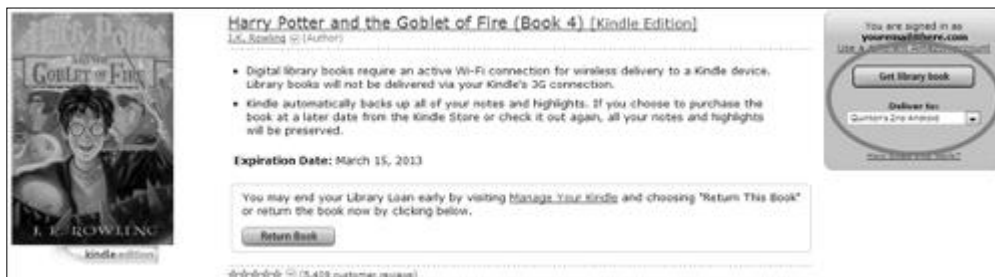

Black Book=available
 Gray Book=unavailable

Borrowing/Downloading a Book

- Click on the book cover.
- Click **Borrow**.
- Click **Download**.
- Click **Kindle Book**.
- Click **Confirm & Download**.

6. **Amazon's website** will open.
7. Click **Get Library Book**

8. If you are not already signed into your Amazon account, you will be prompted to sign-in.
9. **Select the device** for the Kindle Book and click **Continue**.
10. Your book will now be delivered to your Kindle the next time you connect to WiFi.
 - a. If you do not have WiFi or the book cannot be delivered via WiFi, see further instructions below.

Read or Listen to Book

From the home screen on your Kindle, select the title you would like to read. It may be found under **Archived Items**.

Return and Delete Title

1. Go to **Amazon.com** and log-in to your Amazon account.
2. Go to Amazon's **Manage Your Kindle** webpage.
3. Click **Actions** next to the title you would like to return.
4. Click **Return this Book** and confirm.
5. To delete, click **Actions** again.
6. Click **Delete from Library** and confirm.

If you do not have WiFi...

1. Click **Download Now** on the Amazon webpage.
2. Click **Save File** to save the file to your computer's desktop.
3. Plug your Kindle into your computer using a USB cord.
4. On the computer, open your Kindle files and find the **Documents** folder.
5. Click on the eBook file saved to your computer desktop, and drag and drop it into the **Documents** folder on the Kindle.
6. **Eject** the Kindle.
