

Theme Kit Descriptions

Theme based literacy kits provide the resources parents, child-care providers, and early childhood educators need to help preschool children develop early literacy skills while learning about the world around them.

Each kit contains 10 books around a popular preschool theme, a related manipulative, one music CD or DVD, and a set of laminated cards with a number of activities.

For more information about the Theme Kits contact the Youth Services Department at #859.342.2665 x8193.

*Please limit 1 Theme Kit per family or child care center at a time.
